

**WATERFORD ARCHITECTURAL CONTROL
REQUIREMENTS FOR
RESURFACING DRIVEWAYS AND APRONS**

This form is required when requesting a resurfacing to a driveway and apron in addition to the ARB form.

The following are the rules and regulations applying to the resurfacing of driveways and aprons and require the approval of the homeowner and roof mate:

1. The color must be one Earthstone color, designated Coppermail #8295D which has been approved by the Waterford Board of Directors.
2. The design of the driveway and apron resurfacing must be identical with that used at 7371 Hearth Stone Avenue.
3. I (we) hereby agree to indemnify and hold harmless the Waterford HOA with respect to any costs or damages arising from the resurfacing of our driveway and driveway apron. I (we) also herewith agree to maintain and keep in good repair the driveway/driveway apron resurfacing as needed.
4. I (we) also understand that the Waterford HOA will no longer pressure clean the resurfaced driveway and apron.
5. The Waterford HOA will not be financially responsible or support any claim for any damage done by their contractors, subcontractors, or employees to the resurfaced driveway and apron.
6. I (we) further agree to hold the Waterford HOA and its Board of Directors harmless from any personal injury or damage occurring as a result of the improvement during and after resurfacing.
7. My (our) roof mate understands if they have not resurfaced their driveway/apron and I the future decide to do so, it must be resurfaced in the exact same color and design as specified above.

I (we) fully understand the above and accept responsibility for it.
